

Mercy University Hospital, Cork is a Catholic Voluntary Hospital founded in 1857 by the Sisters of Mercy. It is a centre of National and International excellence, renowned for its research and tertiary services and is a teaching hospital of University College Cork. The Mercy University Hospital provides specialist in-patient, day-patient out-patient services and accident and 24/7 emergency services in the centre of Cork City.

We are currently looking for candidates to fill the following position(s);

Clinical Nurse Manager II (Permanent)

Pre Assessment Clinic

(Under the Governance of Mercy University Hospital Cork CLG.)

The CNM2 role in the PAC is pivotal, being responsible for the day to day management of the Pre Assessment clinic. The CNM will provide leadership within the multidisciplinary team and ensure efficient and effective communication with patients and relatives, and with other healthcare providers. The CNM2 will work collaboratively with the Bed Management Unit, Anaesthetic Department, theatre Admissions lounge and day wards and any other disciplines, as appropriate, to ensure maximum effectiveness and efficient patient flow.

Responsibilities - *The post holder will be responsible for;*

- *The provision of the highest standards of Nursing care to patients.*
- *To ensure clinical triage / referral process is managed effectively*
- *To ensure the PAC clinic interfaces with all other departments in a professional and productive manner at all times*
- *The management of all Nursing staff in the clinical area including planning, implementation and evaluation of nursing services in consultation with the Senior Nurse Management team*
- *The maintenance and development of professional nursing standards.*
- *The maintenance of a safe environment for patients and staff within allocated resources.*

A full Job description is available from recruitment@muh.ie

Eligibility Criteria - *Candidates:*

- *Be registered in the General Division of the Register of Nurses kept by the Nursing and Midwifery Board of Ireland {NMBI}*
- *Provide evidence of clinical and professional managerial ability, leadership, communication and organizational skills. Management course desirable.*
- *Recent acute hospital experience (Within last 5 years)*
- *Excellent interpersonal skills*
- *Provide evidence of ongoing professional development.*
- *Evidence of leading clinical practice initiatives*
- *Evidence of promotion of multi-disciplinary team work*
