

Mercy University Hospital, Cork is a Catholic Voluntary Hospital founded in 1857 by the Sisters of Mercy. It is a centre of National and International excellence, renowned for its research and tertiary services and is a teaching hospital of University College Cork. The Mercy University Hospital provides specialist in-patient, day-patient out-patient services and accident and 24/7 emergency services in the centre of Cork City.

We are currently looking for candidates to fill the following position(s);

Senior Respiratory Physiologist

Permanent

(Under the Governance of Mercy University Hospital Cork CLG)

The Senior Respiratory Physiologist is an essential member of the Respiratory Medicine Team. The successful candidate will have a key role in our expanding Respiratory and Sleep laboratory.

Responsibilities - *The post holder will be responsible for;*

- Conduct a full range of routine pulmonary function tests including, spirometry, reversibility, diffusion capacity and static lung volumes.
- Conduct specialized pulmonary function tests, cardiopulmonary exercise tests and inhalation challenge tests.
- Conduct sleep studies: both limited and full.
- Responsibility for all aspects of quality control and standards in the lung function laboratory.
- Perform other such duties appropriate to the office as may be assigned to him/her from time to time.

Eligibility Criteria - *Candidates:*

- Certification in Medical Physics and Physiological Measurement or a B Sc in Clinical Measurement or equivalent qualification.
- Membership of the Irish Institute of Clinical Measurement Science.
- Clinical laboratory experience in pulmonary function testing essential.
- Previous participation in a sleep laboratory / polysomnography service desirable.
- Previous experience with cardiopulmonary exercise testing desirable.
- Demonstrate good communication and interpersonal skills
- Demonstrate evidence of continuing professional development

Closing Date – 1pm 27th August 2019
